

New Ralco Employee

Ralco Nutrition Welcomes Bob Bierle

Bob Bierle — Ralco Nutrition Sales Staff

It is with great pleasure and excitement that Ralco Nutrition welcomes Bob Bierle (pronounced BRY-lee) to its ranks. On May 14 Bob became a member of the Ralco Nutrition sales staff. Bob hails from Elysian, Minn., about 20 miles northeast of Mankato. His sales coverage area includes eastern South Dakota, eastern Nebraska, Iowa and southern Minnesota.

After 20 years of swine consulting and production management, Bob has strong ties and extensive knowledge of the swine industry. In addition to nutrition sales, Bob has the ability to assist producers with pig flow, record keeping, preg checks, AI, personnel training and other production issues. He does all of this with the help of his wife, Debbie, who manages production records and runs the office.

Since Bob joined Ralco, he said the company and its employees have pleasantly surprised him.

“I’m surprised. I didn’t realize that Ralco was as widespread as it is. It is larger than I anticipated, and it has more tools and resources than I thought it would. I didn’t realize coming [in] that Ralco is made up of such a talented group,” he said.

Bob has a big personality, so please give him a big welcome when you meet him. Congratulations, Bob. Ralco Nutrition is excited to have you on board.
